## About Me

---

Emmy® nominated producer and writer, working in both studio and field production for the past five years, with an additional background in radio, film production and writing.

## Education

---

- **Bachelor of Arts – Television Writing & Producing**  
Columbia College Chicago, Honors, 2014
- **Associate of Arts – Theater**  
Harper College, Honors, 2012

## Experience

---

**Kelly Media Productions**  
Nov 2015 - Present

**Supervising Producer** July 2018 – Present  
**Producer/Writer** July 2017 – Present

- Supervises all aspects of production for national PBS series “Family Travel with Colleen Kelly”, from sales, production coordination and hiring crew, to final episode approval and delivery
- Produces and writes content for National Geographic, working directly with editors
- Manages producers, editors, crew, graphic and web designers, social media manager, interns
- On-location field production, including conducting interviews, scriptwriting, and final revisions
- Responsible for booking flights, additional transportation, and filming locations
- Works directly with editors, clients, sponsors, tourist boards, and American Public Television

**Associate Producer** June 2016 – July 2017

- Assisted producers and crew in all aspects of pre-production, field production, post-production, and final episode delivery of “Family Travel with Colleen Kelly”
- Assistant manager of editors, graphic and web designers, social media manager, interns
- Assisted in sales, marketing, and promotion of series

**Production Assistant** Nov 2015 – May 2016

- Field and office production assistant for “Family Travel with Colleen Kelly”
- Assistant to Ms. Kelly, managing her schedule and appointments with clients

**Cumulus/WLS-AM Radio**  
May 2018 – Present

**Content Producer/Writer**

- Produces weekly, live-to-tape “Trip Sisters” radio show and podcast on WLS-AM
- Coordinates and writes content for weekly, hour-long episodes, including arranging interviews, researching news stories, and developing creative, original episode topics
- Works directly with Cumulus/WLS-AM producers and team to ensure high-quality content

### Jellyvision

March – Nov 2015

**ALEX Production Apprentice**

- Directed cross team-related management and monitored customer releases
- Triageed and fixed bugs in interactive conversation using proprietary software
- Edited content for timing, visual details and accuracy, similar to video editing

**NBC/Telepictures**  
March – Nov 2014

**Production Assistant** Sept – Nov 2014

- On-set production assistant for “The Judge Mathis Show”
- Worked directly with producers, crew, travel department, litigants, and audience members
- Organized, copied, and prepared courtroom evidence

**Production Intern** March – June 2014

- On-set and office production intern for “The Judge Mathis Show”
- Searched legal databases for potential cases
- General clerical, filing, postal, and office work
